Notification

DF/ENF/SAGAR-KAVACH/PART-V/33/7136

Whereas the fish landing in the State of Goa takes place at various major landing centres as well as traditional landing centres.

And Whereas it has become necessary to monitor all the fish landing centres in the State and restrict the number of landing centres in the State from the point of view of Coastal Security.

And Whereas it has been recommended by the Coastal Security Co-ordination Committee that the State Government may designate the existing fish landing centres by notifying the same and not to allow fish landings at any landing centres other than above notified.

And Whereas the Government has therefore decided to make it mandatory for the fishing vessels to land their fish only on the notified landing centres.

Now Therefore the Government hereby notifies, at the first instance, the following major fish landing centres (fishing jetties) in the State of Goa as fish landing centres for the mechanised fishing vessels from the State of Goa.

Office of the Controller & Legal Metrology

Notification

6/2/10-CLM

The following draft rules which are proposed to be made in exercise of the powers conferred by section 53 of the Legal Metrology Act, 2009 (Central Act 1 of 2010) (hereinafter referred to as the "said Act"), are hereby pre-published as required by sub-section (4) of section 53 of the said Act for information of all the persons likely to be affected thereby and notice is hereby given that the said rules will be taken into consideration by the Government on the expiry of 15 days from the date of publication of this Notification in the Official Gazette.

All objections and suggestions to the said draft rules may be forwarded to the Controller, Legal Metrology, Government of Goa, Department of Legal Metrology, Panaji, Goa, before the expiry of the said period of 15 days from the date of publication of this Notification in the Official Gazette so that they may be taken into consideration at the time of finalization of the draft rules.

DRAFT RULES

In exercise of the powers conferred by section 53 of the Legal Metrology Act, 2009 (Central Act 1 of 2010), and all other powers enabling it in this behalf, the Government of Goa, after consultation with the Central

Government, hereby makes the following rules, namely:—

1. *Short title and commencement.*— (1) These rules may be called the Goa Legal Metrology Rules, 2011.

(2) They shall come into force on such date as the Government may, by notification in the Official Gazette appoint, and different dates may be appointed for different provisions of these rules.

2. *Definitions.*— In these rules, unless the context otherwise requires,—

(a) “Act” means the Legal Metrology Act, 2009 (Central Act 1 of 2010);

(b) “Government” means the Government of Goa;

(c) “Reference Standards Laboratory” means a laboratory setup by the Central Government under the Act, where Reference Standards, Secondary Standards and Working Standards are maintained;

(d) “Schedule” means a Schedule appended to these rules;

(e) Words and expressions used in these rules but not defined herein shall have the same meaning as respectively assigned to them in the Act.

3. *Reference Standards, Secondary Standards and Working Standards.*— (1) Every Reference Standard, Secondary Standard and Working Standard shall be verified and stamped in such manner and after payment of such fee as may be prescribed by the Central Government under sub-section (2) of section 9 of the Act.

(2) The Reference Standards shall be kept at such place, in such manner and in such custody as prescribed under the Legal Metrology (National Standards) Rules, 2011.

(3) The Secondary Standards shall be kept at such place and in such custody as the Controller may direct.

(4) The Working Standards shall be kept in the custody of Legal Metrology Officer.

4. *Secondary Standard Balances.*— (1) A set of Secondary Standard Balances shall be maintained at every place where the Secondary Standard Weights are kept.

(2) The number, types and specifications of such balances shall be such as may be prescribed under the Legal Metrology (General) Rules, 2011.

(3) Every Secondary Standard Balance shall be verified at least once within a period of twelve months and shall be adjusted, if necessary, to make it correct within the limits of sensitivity and other metrological qualities specified under the Act or rules framed thereunder, by the Reference Standards Laboratory or by the Controller or such other Officer as may be authorized by the Controller in this behalf.

5. *Working Standard Balances.*— (1) A set of Working Standard Balances shall be maintained at every place where Working Standard Weights are kept.

(2) The number, types and specifications of such balances shall be such as may be prescribed under the Legal Metrology (General) Rules, 2011.

(3) Every Working Standard Balance shall be verified at least once within a period of twelve months and shall be adjusted, if necessary, to make it correct within the limits of sensitivity and other metrological qualities prescribed under the Legal Metrology (General) Rules, 2011, by the Reference Standard Laboratory or at any of the place where Secondary Standards are maintained by the Government.

6. *Physical characteristics, configuration, constructional details of Weights and*

Measures.— Every Weight or Measure used or intended to be used in any transaction or for protection shall conform as regards physical characteristics, configuration, constructional details, materials, performance, tolerances and such other details, to the specifications specified under the Act or the Legal Metrology (General) Rules, 2011.

7. *Use of bullion weights, carat weights, etc.*— (1) No weight other than a bullion weight as specified in the Legal Metrology (General) Rules, 2011, shall be used in any transaction or protection in bullion including precious metals, pearls, ornaments or other articles made of gold or silver.

(2) No weight other than a carat weight shall be used in any transaction in precious stones.

(3) Only beam scale of class 'A' or class 'B' category or a non-automatic weighing instrument of high accuracy class (class II) or special accuracy class (class I) shall be used in any transaction referred to in sub-rules (1) and (2).

8. *Use of weights only or measures only or number only in certain cases.*— Except in the cases of commodities specified in Schedule I hereto, the declaration of quantity in every transaction, dealing or contract or for protection shall be in terms of the unit of,—

(a) weight, if the commodity is solid, semi-solid, viscous or a mixture of solid and liquid;

(b) length, if the commodity is sold by linear measure;

(c) area, if the commodity is sold by area measure;

(d) volume, if the commodity is liquid or is sold by cubic measure; or

(e) number, if the commodity is sold by number.

9. *Licensing of manufacturer, repairer and dealer of weights and measures.*— (1) Every manufacturer or repairer of, or dealer in, weights or measures shall make an application for the issue of a licence to the Controller or such other Officer as may be authorized by him in this behalf, in FORM-LM-IA, FORM-LM-IB, FORM-LM-IC, hereto, respectively:

Provided that no licence to repair shall be required by a manufacturer to repair weight or measure manufactured by him and used in a State other than the State of manufacture of the same, but the manufacturer shall inform in advance the concerned Legal Metrology Officer about such repairing:

Provided that a person who bonafidely repairs any weight or measure owned or possessed by him shall not require a licence to repair.

(2) Every manufacturer or repairer of, or dealer in, weights or measures shall make an application for the renewal of a licence within thirty days before the date of its expiry to the Controller or such other Officer as may be authorized by him in this behalf, in FORM-LM-IIA, FORM-LM-IIB, FORM-LM-IIC, hereto, respectively.

(3) Every licence issued to a manufacturer, repairer or dealer shall be in FORM-LM-IIIA, FORM-LM-IIIB, FORM-LM-IIIC, hereto, respectively.

(4) Every licence issued to a manufacturer or repairer or dealer shall be valid for a period of one calendar year and may be renewed from year to year on an application made within thirty days before the date of expiry of licence to the Controller or such other Officer as may be authorized by him in this behalf alongwith fee as specified in Schedule II hereto. The fee for the renewal of licence shall be the same as for the issue of licence as specified in Schedule II hereto:

Provided that the Controller may entertain the application made within a period of three

months from the date of expiry of the licence, if he is satisfied that applicant was prevented from making application within the time aforesaid for bonafide reasons, on payment of additional fee at full the rate specified in Schedule II hereto.

(5) The fee payable for the alteration of a licence or for issue of a duplicate licence shall be as specified in Schedule II hereto.

(6) The Controller or such other Officer as may be authorized by him in this behalf shall maintain a register of licenced manufacturers, dealers and repairers in FORM-LM-IV hereto.

(7) Every manufacturer, repairer, or dealer licenced under the Act and these rules shall maintain such workshop, equipments, tools and registers, etc., as the case may be, as per the terms and conditions of the licence.

(8) Every repairer licenced under the Act and these rules shall furnish a security deposit of rupees two hundred for each licence to the Government.

(9) Every licence issued or renewed under this Act shall be displayed in a conspicuous place in the premises where the licensee carries on business.

(10) A licence issued or renewed under this Act shall not be salable nor transferable.

10. *Suspension and cancellation of licence granted.*— (1) The Controller or such other Officer authorized by him in this behalf may, if he has any reasonable cause to believe that the holder of any licence issued, renewed or continued under this Act has made any statement in, or in relation to any application for the issue, renewal or continuance of the licence, which is incorrect or false in any material particular or has contravened any provision of the Act or any rule or order made thereunder, suspend such licence, pending the completion of any inquiry against the holder of such licence:

Provided that no such licence shall be suspended unless the holder thereof has been given a reasonable opportunity of being heard in the matter:

Provided further that where the inquiry referred to in this sub-section is not completed within a period of three months from the date of suspension of a licence, such suspension shall, on the expiry of the period aforesaid, stand vacated.

(2) The Controller or such other authorized Officer if he is satisfied, after making such inquiry as he may think fit, that the holder of a licence has made a false or incorrect statement of the nature referred to in sub-rule (1), or has contravened any law or order referred to in that sub-section, cancel such licence:

Provided that no such licence shall be cancelled unless the holder thereof has been given a reasonable opportunity of being heard in the matter.

(3) Every person whose licence has been suspended shall, immediately after such suspension, stop functioning as such licensee and shall not resume business as such licensee until the order of such suspension stands, or has been, vacated.

(4) Every licensee whose licence has been suspended or cancelled shall, after such suspension or cancellation, as the case may be, surrender such licence to the authority by whom such licence was issued.

(5) Every licensee whose licence has been cancelled shall, within a period of thirty days from the date of such cancellation, or within such further period not exceeding three months from such date as the Controller or such other Authorized Officer on sufficient cause being shown allow, dispose of the weights or measures which were in his possession, custody or control on the date of such cancellation and in the event of his failure to do so, the Controller or such other Authorized Officer may seize and dispose of

the same and distribute the proceeds thereof in such manner as may be **prescribed**.

11. *Records to be maintained by manufacturers, etc.*— Every manufacturer or repairer of, or dealer in weights or measures licenced under the Act and these rules shall maintain records and registers in FORM-LM-VA, FORM-LM-VB, FORM-LM-VC, hereto, respectively, and also submit such periodical report/returns as may be specified in that behalf.

12. *Periodical interval for the verification of weights or measures.*— Periodical interval for the verification of weights and measures as shall be specified in the Legal Metrology (General) Rules, 2011.

13. *Verification and inspection of weights or measures.*— (1) Every person using any weight or measure in any transaction or for protection shall present such weight or measure for verification or re-verification, at the Office of the Legal Metrology Officer or at such other place as the Legal Metrology Officer may specify in this behalf on or before the date on which the verification falls due:

Provided that where any weight or measure is such that it cannot, or should not, be moved from its location, the person using such weight or measure shall report to the Legal Metrology Officer at least thirty days in advance of the date on which the verification falls due.

(2) Where any weight or measure is such that it cannot, or should not, be moved from its location, Legal Metrology Officer shall take necessary steps for the verification of such weight or measure at the place of its location.

(3) For the verification of weight or measure referred to in sub-rule (2), the user shall provide such facilities as may be specified by the **Controller**.

(4) Every weight or measure presented for verification shall be complete in itself.

(5) Every weight or measure shall be verified in a clean condition, and if necessary, the Legal Metrology Officer shall require the owner or user to make necessary arrangement for the purpose.

(6) A Legal Metrology Officer may visit, as frequently as possible and during the periodical interval as referred to in rule 12, every premises within the local limits of his jurisdiction to inspect and test any weight or measure which is being or is intended or likely to be used in any transaction or for protection.

(7) The Legal Metrology Officer shall obliterate the stamp on any weight or measure, if it is found during inspection that,—

(a) any weight or measure which being due for re-verification has not been submitted for such re-verification;

(b) any weight or measure which does not conform to the standards established by or under the Act:

Provided that where the Legal Metrology Officer is of opinion that the defect or error in such weight or measure is not such as to require immediate obliteration of the stamp, he shall inform the user about the defect or error found in the weight or measure and call upon user to remove the defect or error within such time, not exceeding eight days and shall,—

(i) if user fails to remove the defect or error within that period, obliterate the stamp, or

(ii) if the defect or error is so removed as to make the weight or measure conform to the standards established by or under the Act, verify and stamp such weight or measure.

Explanation.— The obliteration of the stamp on any weight or measure shall not take away or abridge the power of the Legal Metrology

Officer to seize such weight or measure in accordance with the provisions of the Act.

14. *Stamping of weights or measures.*— (1) The Legal Metrology Officer shall stamp every weight or measure, if after testing and verification, he is satisfied that such weight or measure conforms to the standards established by or under the Act, with a stamp of uniform design, issued by the Controller, which shall indicate the number allotted for administrative purpose to the Legal Metrology Officer by whom it is stamped:

Provided that if by reason of the size or nature of any weight or measure it is not desirable or practicable to put a stamp thereon, the Legal Metrology Officer shall take such action as may be directed by the Controller by a general or a special order in writing.

(2) The Legal Metrology Officer shall also mark the year and it's quarter of stamping on every verified weight or measure except when the size or nature of such weight or measure makes it impracticable.

Explanation.— A year shall be deemed to consist of four quarters of which first quarter shall be of the months of January, February and March, which shall be marked as A; second quarter shall be of the months of April, May and June, which shall be marked as B; third quarter shall be of the months of July, August and September, which shall be marked as C; and fourth quarter shall be of the months of October, November and December, which shall be marked as D.

(3) On completion of verification and stamping, the Legal Metrology Officer shall issue a Certificate of Verification in FORM-LM-VI hereto.

(4) Where a Certificate of Verification is lost or destroyed, the holder of the Certificate of Verification shall forthwith apply to the Legal Metrology Officer who had issued the Certificate, for the issue of a duplicate Certificate of Verification. Every such

application for the issue of a duplicate Certificate shall be accompanied by a fee of Rupees ten.

(5) On receipt of an application under sub-rule (4), the Legal Metrology Officer shall issue to the applicant a duplicate copy of the Certificate of Verification marked 'DUPLICATE'.

15. *Fee for verification.*— (1) Fees payable for verification and stamping of weight or measure at the Office or Camp Office of the Legal Metrology Officer shall be as specified in Schedule III hereto.

(2) If, at the request of the user of weight or measure, verification is done at any premises other than the Office or Camp Office of the Legal Metrology Officer, an additional fee shall be charged at half the rate specified in the Schedule III hereto and the user of the weight or measure shall pay the expenses incurred by the Legal Metrology Officer for visiting the premises, including the cost of transporting and handling the Working Standard and other equipment subject to a minimum of Rupees One hundred:

Provided that no additional fee shall be charged for verification and stamping of weights and measures *in situ* of,—

(i) vehicle tanks for petroleum products and other liquids, Meter for Liquids other than Water (Fuel Dispenser, Liquid Petroleum Gas, Milk Dispensers), Compressed Natural Gas Dispensers, Non-automatic Weighing Instruments like Weighbridges, Platform Machines, Crane Scale, Automatic Gravimetric Filling Instruments, Automatic Rail-weighbridge, Discontinuous Totalizing Automatic Weighing Instruments, and such other weight or measure which cannot, and should not be moved from it's location;

(ii) weight or measure in the premises of manufacturer or dealer of such weight or measure.

(3) If a weight or measure is presented to the Legal Metrology Officer for re-verification after expiry of the validity of the stamp, an additional fee at half the rates specified in Schedule III hereto shall be payable for every quarter of the year or part thereof.

(4) Full fee shall be payable for re-stamping any weight or measure held in stock with manufacturer or dealer within the period specified in rule 12 from the date on which it was last stamped, provided that the original stamp was not obliterated.

(5) A weight or measure which on verification or inspection is found to be incorrect shall be returned to the person concerned for adjustment informing him, in a proforma specified by the Controller, of the defects found in the weight or measure, and calling upon him to remove the defects within a period not exceeding seven days. When the necessary adjustment has been carried out, such weight or measure shall be verified on payment of the fees specified in Schedule III and if found correct shall be stamped.

16. *Collection of fees and deposit into the Treasury.*— (1) Before commencing the work of verification or re-verification, the Legal Metrology Officer shall inform the person concerned of the fees payable by him and shall receive the same in the manner as authorized by the Controller and issue a receipt on the form approved by the Controller, one copy of such receipt being kept for record:

Provided that the fees payable by a Department of the Central or State Government under these rules may be realized in such manner as may be directed by the Controller.

(2) The Legal Metrology Officer shall maintain a register, in the form approved by the Controller, which shall be written up from day-to-day and shall show the amount of fees and other charges collected during the day.

(3) All payment received by the Legal Metrology Officer during the week shall be

paid into the Government treasury under the appropriate "Head of Account" on such dates or days as may be specified by the Controller from time to time, and a receipt thereof be obtained and an intimation to that effect be sent to the Controller or other Officer authorized by him in this behalf.

17. *Disposal of seized weights, measures, etc.*— (1) Any un-verified weight or measure shall be returned to the person from whom such weight or measure was seized if that person gets the same verified and stamped, within **fifteen days** of the return of seized goods on payment of the prescribed fee, including the additional fee, payable for undertaking re-verification after the expiry of the validity of the stamp.

(2) Any weight or measure or document or thing or goods seized and detained under section 15 of the Act, which is the subject matter of proceedings in a Court shall be produced by the Legal Metrology Officer before the Court and after conclusion of the proceedings, the Legal Metrology Officer shall take possession of the same and deal with it in accordance with the orders of the Court:

Provided that in the absence of the orders of the Court, weight or measure or document or thing or goods shall be dealt with as the Controller may, by special order, direct and the material thereof shall be sold and the proceeds credited to the Government treasury.

(3) If any goods seized under section 15 of the Act are subject to speedy or natural decay, the Legal Metrology Officer shall have the goods weighed or measured on a verified weighing or measuring instrument available with him or at the nearest place from the place where such goods are seized and enter the actual weight or measure of the goods in a form specified by the Controller for this purpose, and shall obtain the signature of the trader or his agent or such other person who has committed the offence and return the goods in question to the trader or the purchaser, as the case may be:

Provided that if the trader or his agent or any other person who has committed the offence refuses to sign the form, the Legal Metrology Officer shall obtain the signatures of not less than two persons present at the time of such refusal by the trader or his agent or such other person. In the case if goods are returned to the trader, he shall give an undertaking stating that he shall not sell the defective goods without rectifying the defects thereon.

(4) Where the goods seized under sub-section (1) of section 15 of the Act are contained in a package and the package is false or does not conform to the provisions of the Act or any rules made thereunder and the goods in such package are subject to speedy or natural decay, the Legal Metrology Officer may dispose of the goods in such package in accordance with the provisions of sub-rule (3):

Provided that the Controller shall be the final authority to decide whether the goods seized and detained are subject to speedy or natural decay.

(5) Where the goods seized under sub-section (1) of section 15 of the Act are not subject to speedy or natural decay, the Legal Metrology Officer may retain the package for the purpose of prosecution under the Act after giving the trader or his agent or the other person who has committed the offence a notice of such seizure.

(6) The goods referred under sub-rules (4) and (5), which are not the subject matter of proceedings in a Court, shall, after the expiry of sixty days from its seizure, be so dealt with as the Controller may by special order direct.

18. *Validity of weights or measures duly stamped.*— (1) A weight or measure which is, or is deemed to be, duly verified and stamped under these rules shall be deemed to conform to the Standards established by or under the Act at every place within the State of Goa in which it is stamped unless it is found on

inspection or verification that such weight or measure has ceased to conform to the Standards established by or under the Act.

(2) No weight or measure which is, or is deemed to be, duly verified and stamped under this Act shall require to be re-stamped merely by reason of the fact that it is being used at any place within the State of Goa other than the place at which it was originally verified and stamped:

Provided that where a verified weight or measure, installed at one place is dismantled and re-installed at a different place, such weight or measure shall not be put into use unless it has been duly re-verified and stamped, notwithstanding that periodical re-verification of such weight or measure has not become due.

(3) Where a verified weight or measure has been repaired, whether by a licenced repairer or by the person owning and possessing the same, such weight or measure shall not be put into use unless it has been duly re-verified and stamped, notwithstanding that periodical re-verification of such weight or measure has not become due.

19. *Qualifications of Legal Metrology Officer.*— Qualifications of Legal Metrology Officer shall be as specified in the Legal Metrology (General) Rules, 2011.

20. *Provision of supply of Working/Secondary Standards, equipment, etc. to the Legal Metrology Officer.*— (1) Every Legal Metrology Officer shall be provided with Working/Secondary Standard Weights, Working/Secondary Standard Balances, and such other equipments including weighing and measuring devices as may be approved by the Controller from time to time.

(2) Every Legal Metrology Officer shall be provided with such dies, punches, paper seal/sticker and such other equipment as may be necessary for affixing the verification stamp, the design and number of which are to be approved by the Controller.

(3) Every Legal Metrology Officer shall be provided with punches of suitable sizes of eight-pointed star as shown below for obliterating stamps.

21. *Provisions relating to use of weights, measures, etc.*— (1) Every person using a beam scale in any transaction in his premises shall suspend the same to a stand or to a chain by a hook:

Provided that this sub-rule shall not apply to itinerant vendors.

(2) Every weight or measure shall be used in a clean condition and in proper lighting arrangement.

(3) Any weight or measure, which has been verified and stamped *in situ*, shall not be dismantled and removed from its original site without prior intimation to the Controller or other person authorized by him in this behalf.

(4) To ensure a proper check of the accuracy of a weighing instrument, the user shall keep at the site of each weighing instrument duly verified and stamped weights equal to one-tenth of the capacity of the instrument or one tonne and consumer can also check the accuracy of the weighing instrument:

Provided that the Controller may specify the total number of verified and stamped weights to be maintained in trade premises where the number of weighing instruments are more than one.

(5) To ensure proper delivery of the petrol and diesel at pumps, the retail dealer of the pump shall keep a verified 5 litres and 10 litres capacity measure in his premises and check the out put from the pump every day to ensure its correct delivery. In case of any short delivery the dealer shall stop the delivery through the pump immediately and inform the Legal Metrology Officer concerned to recalibrate the pump.
